First National Title Insurance Joins American Title Reinsurance Alliance

DALLAS, TX - Effective July 1, 2014, First National Title Insurance Company (FNTI) joined the American Title Reinsurance Alliance (ATRA)—an alliance of now six regional underwriters securing reinsurance through four Lloyds of London syndicates lead by the Beazley Syndicate. ATRA includes Connecticut Attorneys Title Insurance Company, Alliant National Title Insurance Company, The Security Title Guarantee Corporation of Baltimore, Attorneys Title Guaranty Fund, Inc., and Agents National Title Insurance Company. First National CEO, Chris Phillips, stated that “The financial strength and stability of the Lloyd’s syndication is an ideal solution to maintaining the regional underwriter’s independence in the reinsurance market. We believe this alliance will further enhance FNTI’s ability to compete on a national level.”

With a steady increase in independent agent revenue, First National Title Insurance’s rank among title insurance underwriters, determined by gross revenue, continues to advance. Though the second quarter of 2014, FNTI is now listed as the 14th largest underwriter in the country. The company continues to expand its independent agent base and expects approval soon to conduct business in New Mexico.
