### **LATEST NEWS: *First National Title Insurance Earns SOC I, Type II Certification***

PLANO, Texas – First National Title Insurance Company (FNTI) has received the Service Organization Control (SOC) 1, Type II certification from the American Institute of Certified Public Accountants (AICPA). Through the professional staff of Briggs & Veselka, the third-party CPA examiner, a rigorous testing of the company’s policies and procedures was conducted. With this annual assessment, FNTI is able to demonstrate a substantially higher level of security assurance and operational standards.

“I am proud of our team for creating and implementing the policies and procedures required to operate our business, and I am even prouder to then have their efforts affirmed by receiving the designation of SOC I, Type II compliance. This is an incredible accomplishment that very few of our peers are able to achieve.” FNTI President Chris Phillips said. “Successfully completing the rigorous assessments and detailed review of our procedures demonstrates a commitment to our clients—the independent title agents.”

The SOC I, Type II designation will give a higher level of confidence and assurance to the independent agents representing FNTI that their data and information is being processed in the safest environment available.
