### **LATEST NEWS: *First National Title Insurance Company Partners with TitleCapture® to Empower its Agent Network***

The TitleCapture® suite of tools are now available to the First National Title Insurance Company network of top producing independent title agencies in the U.S.

Today, First National Title Insurance Company is proud to announce it has partnered with TitleCapture® to provide access to a new custom technology program for its nationwide network of title agencies. The First National Title Insurance Company custom program provides a first-to-market tech offering designed to empower their title agents with the industry's leading quoting platform and digital web experience.

"We're proud to partner with First National Title Insurance Company, one of the most innovative title insurance companies in the industry, to bring our platform and technology to their expanding national client network," said Alex Samant, CEO and Co-Founder, TitleCapture®.

TitleCapture® provides a branded title company app that empowers title companies to deliver incredible customer service to all their realtor and lender partners. It's the fastest, easiest to use, and most accurate way for title company staff to serve clients.

"First National Title Insurance is committed to providing access to the technology tools title agents need to thrive in our competitive market," said Chad Hansen, COO. "At First National Title Insurance our vision is simple and probably sounds familiar— to deliver the highest customer service levels in the title insurance industry and we believe the right technology is a key component to service. TitleCapture® was a natural fit, and we're excited to offer their service to our network of independent agents."
