RE: Year-End Policy Remittances

Your Support Contributed to our Success!

The past year has been good for First National Title Insurance Company (FNTI) as we head toward our third year of business. Below are a few noteworthy items that occurred in 2014:

- Gross premium revenue increased 35 percent over 2013.
- Our agent base has grown 21 percent to 63 agents.
- A Certificate of Authority was granted in New Mexico and agents are actively being added.
- A new reinsurance agreement with ATRA was set in place increasing the liability limits for many agents.

The one common factor for the success of FNTI has always been attributed to the excellent agents that we consider a part of our family. Your quality work keeps claims at a minimum and contributes to the amazing growth we've experienced since starting in March 2012. Our entire staff recognizes this and is grateful for your dedication.

Closing Out 2014

As 2014 comes to an end, our goal is to make it a smooth transition into next year. We ask that you remit as many 2014 policies as possible by **December 31, 2014**. The stress of the holiday season and year-end pressures can make this a difficult time, so we appreciate your effort in sending these policies.

Remittance reports can be emailed to your agency rep or Emily Froggatt at emily.froggatt@fnti.com. Please contact our staff if you have any questions or if we can be of help.

FNTI thanks you for the business you've already directed to us, and we'll continue to work diligently to earn that business and your trust.
