RE: New Services Links Available to Agents

First National Title Insurance Company (FNTI) has identified two agent services vendors to assist you in your search of specialty insurance and outsourcing policy production. On the FNTI website under "Agent Services," you will find two new links with contact information for Select Specialty Insurance Services and Quality Outsource.

**Select Specialty Insurance Services** provides E&O insurance, fidelity bonds, cyber protection, and other products that relate to our industry.

**Quality Outsource** can assist in regular or over-flow policy production.

For additional information on these two options, please visit our website at [www.fnti.com](http://www.fnti.com). If you have any questions or comments, please contact your First National agency manager.
