RE: **Texas Underwriting Group Distribution Email Address**

Texas Agents:

For your ease and convenience, we now have a TXUNDERWRITING@FNTI.COM distribution group email address that may be used to reach all Texas underwriters. This email distribution group will eliminate the need to add each Texas underwriter's individual email address to your emailed underwriting questions.

Of course, you are always welcome to reach out to an individual underwriter of your choice. However, for the most expedited response to your underwriting questions, the best practice is to include all Texas underwriters.

We appreciate your business and as always, if you have any questions, please do not hesitate to contact us.
