RE: **New Discount Code for TLTA On-Demand Webinars**

Do You Need Continuing Education Credit?

Check out the education option that First National Title (FNTI) has to offer. We have partnered with the Texas Land Title Association (TLTA) to offer several of its recorded On-Demand Webinars that you can watch to earn continuing education credit.

There are more than 50 courses available that can be saved to your TLTA account and viewed when it fits your schedule. The courses cover a wide range of topics and are approved for continuing education credit with the Texas Department of Insurance.

As an FNTI agent, there is no cost to you or your agency to view these.

Please Note: The discount code needed to purchase these courses at no cost has been changed.

Please contact the FNTI office for the new discount code and registration instructions.

Thank you,
Your FNTI Team
