To: All Agents
From: Chris Phillips, CEO
RE: **Policy Remittance Invoicing Update**

Dear Agents:

We appreciate your patience while we migrate to a new accounting system that will allow us to better serve our customers with policy remittance invoicing.

We are continuing to process policy remittance reports sent to policydepartment@fnti.com in our normal fashion. Once the invoices are available for agents in our new invoicing system, our policy team will reach out as we usually do. Additionally, your agency manager will contact you soon to provide more information.

If you would like to continue sending in payments based on any report sent to policydepartment@fnti.com to remain in compliance, we will continue to accept any payments.

Thank you,
Your FNTI Team
