LATEST NEWS: *First National Title Insurance Company Adds Leyna Williams to Texas Underwriting Team*

PLANO, TEXAS - First National Title Insurance Company (FNTI) is excited to announce Leyna Williams has joined us as the newest Texas Underwriting Counsel.

"I knew immediately that the FNTI underwriting team possessed the expertise and congeniality I seek out in colleagues and mentors, and a forward-thinking, service-oriented perspective that is rare in this industry. I'm beyond thrilled with and so appreciative of the opportunity to move into underwriting and join the incredible team at FNTI," says Williams.

Leyna earned her B.A. with honors in Psychology from the University of Texas at Austin and subsequently graduated with her J.D. from UT Austin School of Law in 2008. She accepted an associate attorney position at a global law firm, with a practice focused on corporate defense, labor and employment, and real estate. A family-focused move to Houston led to a career shift, allowing her to represent small businesses and individuals in a variety of real estate, employment, and family law matters. Like many in the industry, her introduction to the title world was a bit random and a fortuitous stroke of luck. Her roles as escrow officer, CE instructor, and in-house counsel for a local title agency for several years now give Leyna a unique perspective and skillset for serving our title agents.

"We're excited to welcome Leyna to the family," says FNTI General Counsel, David Hays, "Leyna will join our Texas underwriting team as vice president and underwriting counsel further strengthening what I believe to be the strongest and most favored underwriting team in the state. Leyna's strong background in real estate law and front-line agency experience brings valuable insight and understanding to our title agents. Her energy, attitude and professionalism fit into our brand of underwriting, and I look forward to working with her as she embraces this new challenge. I know Leyna will be another valuable piece of our company's continued growth and success."
